I'm proud to announce that LQ turned 19 yesterday! I d like to once again thank each and every LQ member for their participation and feedback. While there is always room for improvement, that LQ has remained a friendly and welcoming place for new Linux members despite its constantly growing member-base and geographic distribution is a testament to the community.

To say that feedback has been absolutely critical to our success is an understatement. As has become tradition, I'd... [Read More]

I'm proud to announce that LQ turned 18 today! I d like to once again thank each and every LQ member for their participation and feedback. While there is always room for improvement, that LQ has remained a friendly and welcoming place for new Linux members despite its size is a testament to the community.

To say that feedback has been absolutely critical to our success is an understatement. As has become tradition, I'd like to use this thread to collect as much feedback as... [Read More]
